

Saturday, April 27th, 2019

Nay Aug Park, Scranton, PA

Northeast PA Green Fair & 5K Run / Walk is a fun-filled, all ages event to celebrate clean water, local food, and a healthy environment. Join us to help educate and inspire action to protect and preserve our environment.

Sponsorship & Advertising Opportunities

Educational Programs and Sustainability Demonstrations- Eco Vendors- Live Music- Local Food- Children's Activities- Hikes- Yoga

The inaugural NEPA Green Fair and 5K was held on May 5th, 2018. Over 120 people registered for the initial 5K Run / Walk, and the Green Fair included educational workshops and programs throughout the day, several sponsors, and over 40 vendors.

2019 NEPA Green Fair & 5K Run / Walk will be held on Saturday, April 27th at Nay Aug Park in Scranton, PA. The 5K will begin at 9am and the Green Fair will be from 10am to 3pm.

The 2019 daylong community celebration will feature a variety of educational presentations, hands on activities, exhibitors, and vendors to educate visitors about sustainable living. Participants will also enjoy local food, regional musicians, wildlife presentations, free yoga classes, and more.

Collaborators: Since last year's event, two local organizations, [The Greenhouse Project](#) and [SEEDS \(Sustainable Energy Education & Development Support\)](#) have partnered with the founder of the Green Fair to help make the event an even bigger success. The Greenhouse Project's mission is to grow a sustainable community through education, whole foods, and active living by helping people to make the connection between food and health. SEEDS promotes energy efficiency, renewable energy, and sustainable living in the region to improve the health of our environment, our citizens, and our local economy.

I'd like to invite you to reach out to this audience by becoming a Green Fair Sponsor. Your sponsorship dollars help support an amazing cause and aligns your company with a family-friendly event aimed at educating and inspiring action around Earth Day. **This is the only event of its kind in the region and we can't do it without the generous support of community partners.** Our needs include advertisements, posters, signs, banners, audio equipment, portable toilets, apparel for race and volunteers, race medals, swag bags, family educational programs, and more.

We will provide your company with ample exposure to the community through marketing and publicity, including website, traditional media, social media, race t-shirts, and signage. On the following page, you will find information about each sponsorship level. Please consider becoming a sponsor for this amazing community event!

Thank you for your support,

*The Greenhouse Project
SEEDS (Sustainable Energy Education Development Support)
